

Clearer Days

PRACTICAL SUPPORT FOR BUSY BRAINS.

Digital identity and usage guide

An open horizon.

A mark for clarity, possibility and a new day.

The symbol

An open C-shaped arc creates the sky.

The coral disc is a new day at the horizon.

The horizontal line gives the mark calm direction.

Together they feel optimistic without being clinical.

Clear space

Keep space equal to one coral-disc diameter on every side.

Built to work everywhere.

Use the simplest version that stays clear at the intended size.

PRIMARY HORIZONTAL

STACKED

SYMBOL

REVERSED

ONE COLOR

Calm daylight, clear contrast.

Horizon Blue leads; Sunrise Coral is used sparingly for energy.

Horizon Blue

#2F5BD3

Sunrise Coral

#EF7C5B

Daylight

#FBFAF5

Deep Ink

#17212B

Sky Mist

#E9EFFC

Soft Sage

#DCE9DE

Easy to read. Easy to trust.

Manrope keeps the system modern, warm and direct.

Make life feel more workable.

MANROPE 700 - HEADINGS

Start with the point of friction, then find one next step.

MANROPE 400-500 - BODY

Voice principles

- Warm, never patronizing
- Practical, never prescriptive
- Clear, never clinical
- Encouraging, never overpromising
- Short sentences and concrete actions

Useful before impressive.

One idea per post, generous space and a clear next action.

PRACTICAL TIP

QUOTE / THOUGHT

LINKEDIN BANNER

Navigation is part of the brand.

Clearer Days should feel calm because the next destination is always obvious.

01 Explicit labels

Use Prices, About Riya and Breathe - not clever labels.

02 Short sections

Keep one purpose per section and paragraphs under 70 words.

03 Persistent actions

Keep Prices, Breathe and WhatsApp easy to reach on mobile.

04 Accessible by default

44px touch targets, visible focus and reduced motion.

Keep Clearer Days clear.

Consistency protects recognition and trust.

DO

- + Use approved logo files
- + Keep generous clear space
- + Use plain, human language
- + Lead with one useful idea

DO NOT

- Stretch or rotate the logo
- Add shadows or glossy effects
- Use fake testimonials or claims
- Crowd a layout with messages
